THE DIORITUALS

THE DIORITUALS

Designed and dreamed especially for Dior Spa The Lana, these two exclusive treatments are inspired by elements specific to this exceptional place. In treatment rooms with spectacular views, they reveal the full holistic dimension of the Dior philosophy, pushing the sensory frontiers and delivering high-tech effectiveness while ensuring a highly memorable experience.

DIOR STONE THERAPY

FACE & BODY – 120 MIN

This precious all-over treatment aims to harmonize energy flow during a massage covering the face, back, stomach and feet, elevated by precious stones selected for their properties. Facial glow is enhanced thanks to the leading Dior sapphire crystal Micro-Abrasion technology combined with the Dior Skin Light LED therapy mask.

ESCALE AT THE LANA

BODY – 90 MIN

A tribute to the first Dior Spa set high in the sky, this unique, Japanese-inspired ritual provides a relaxing experience that defies the laws of gravity. Carried out on a futon on the floor, it releases the muscles and the mind equally, leaving guests completely transported. The treatment offers a unique technique combining pressures, friction, and percussive therapy, while also stretching every limb, in combination with slow, deep and memorable movements, from head to toe. Muscle and joint tension flees, leading to an immense feeling of beneficial calm. Lastly, a precise, sensory choreography takes the guest into a ballet of sheets, for a promise of total disconnection.

EXCEPTIONAL TREATMENTS

Designed to awaken the senses and help each guest to flourish and thrive in all aspects of themselves, these holistic protocols enhance the skin for radiant beauty both inside and out.

GOLDEN AURA

FACE – 90 MIN

Dior redefines facial radiance with a luxurious and rejuvenating treatment that gently stimulates the skin, enhancing blood circulation and promoting lymphatic drainage. Rhythmic motions work to release tension, reduce puffiness, and encourage the flow of oxygen rich blood to the skin's surface. This process revitalizes the complexion, revealing a radiant, glowing face. The skin appears naturally luminous, with a healthy, youthful glow from this indulgent self care ritual.

LE SOIN PREMIER

A finishing touch is added to the treatment with Rose Quartz, used to soothe, calm and illuminate the face. From the source of the rose to the source of youth, the Soin Premier treatment promotes skin revitalization and deep relaxation.
