TREATMENT MENU

D-JUNGLE

BODY - 45 MIN - MYR 950

This exclusive Asian-inspired body treatment is true to Dior's holistic vision of beauty and wellness. Between stretching and precise energy points, your Dior Wellness Expert performs a deep muscular massage from head to toe, perfectly paced, to release the tensions and unburden muscles and mind.

KOBI-DIOR

FACE - 45 MIN - MYR 910

Kobi-Dior is a high-performance anti-aging treatment inspired by Kobido techniques. These techniques have been reinterpreted by Dior, harnessing their power through a lifting muscle massage with rejuvenating effects. These deep and precise massage movements reshape and plump the entire face. All signs of aging are diminished. Wrinkles are smoothed, and contours are resculpted.

SOIN DE MINUIT

FACE - 45 MIN - MYR 930

Midnight Treatment guides you towards an instant feeling of release as you enjoy a rejuvenating power nap in synergy with your natural chronobiological rhythm. Dedicated to resting your skin and mind, this treatment works to increase the nighttime benefits of sleep for transformed skin upon waking. As a prelude to this exceptional treatment, breathing and meditation exercises invite you to slow down your heart rate. Melatonin, the sleep hormone, produced by your body helps promote rest and relaxation. A facial massage using broad and slow movements encourages total relaxation for a luminous, soothed complexion. This treatment is synonymous with an ode to relaxation.

CONSTELLATION

BODY - 45 MIN - MYR 860

This multi-sensory journey promises to help you completely unwind and relax deeply. A holistic massage combined with slow and enveloping strokes for the entire body aims to release tight muscles one by one. Intensely relaxed, the body becomes a haven of inner peace.

D-TISSUE

BODY - 45 MIN - MYR 860

This slow deep tissue massage aims to release tension knots and reoxygenate muscles thanks to highly technical strokes. To help the body feel free again, a combination of strong and gentle meticulous movements helps eliminate toxins and relieve aching muscles. The ultimate high performance treatment, ideal for recovering after exercise, for immediate relaxation.
