THE *Refined* WELLNESS *Getaway*

THE HOUSE OF DIOR *Embraces* THE SPLENDIDO *Legacy*

Nestled in the lush gardens of the Splendido, A Belmond Hotel, Portofino, overlooking the Bay, the Dior Spa offers an unparalleled wellness experience. In this haven of peace, once a monastic retreat and now a favorite destination for icons from around the world, time seems suspended. Legends like Winston Churchill, Maria Callas, Grace Kelly, Charlie Chaplin, and Walt Disney, succumbed to the magic of the place. Today, guests continue to honor this cultural legacy, choosing the Splendido to celebrate precious moments.

In 2025, the House of Dior adds to this legacy with the Dior Spa Splendido. As close as possible to the crystal-clear waters, treatment areas emerge, offering total immersion in the natural beauty of the Italian Riviera. Dior's expertise and holistic treatments blend seamlessly into this historic place, inviting deep relaxation and reconnection with oneself. This peaceful sanctuary, with its prestigious history, embodies the perfect fusion of Monsieur Dior's extraordinary gardens and the spirit of Dolce Vita—an unforgettable getaway.

At the Dior Spa Splendido, the Dolce Vita has never been so true to its name.

LE JARDIN *des Rêves Dior*

The House presents Le Jardin des Rêves, an exclusive experience offering two double gazebos set in the heart of the Splendido gardens. A seamless blend of indoor and outdoor, this space invites a retreat into nature, reminiscent of the serene escapes Monsieur Dior himself cherished—where one could enjoy treatments in the open air, gazing out over the endless blue horizon of the sea and sky.

A moment suspended between the hills of Portofino and the sparkling waters of the Ligurian Sea, this is the ultimate escape.

THE MILLEFIORI *Suite*

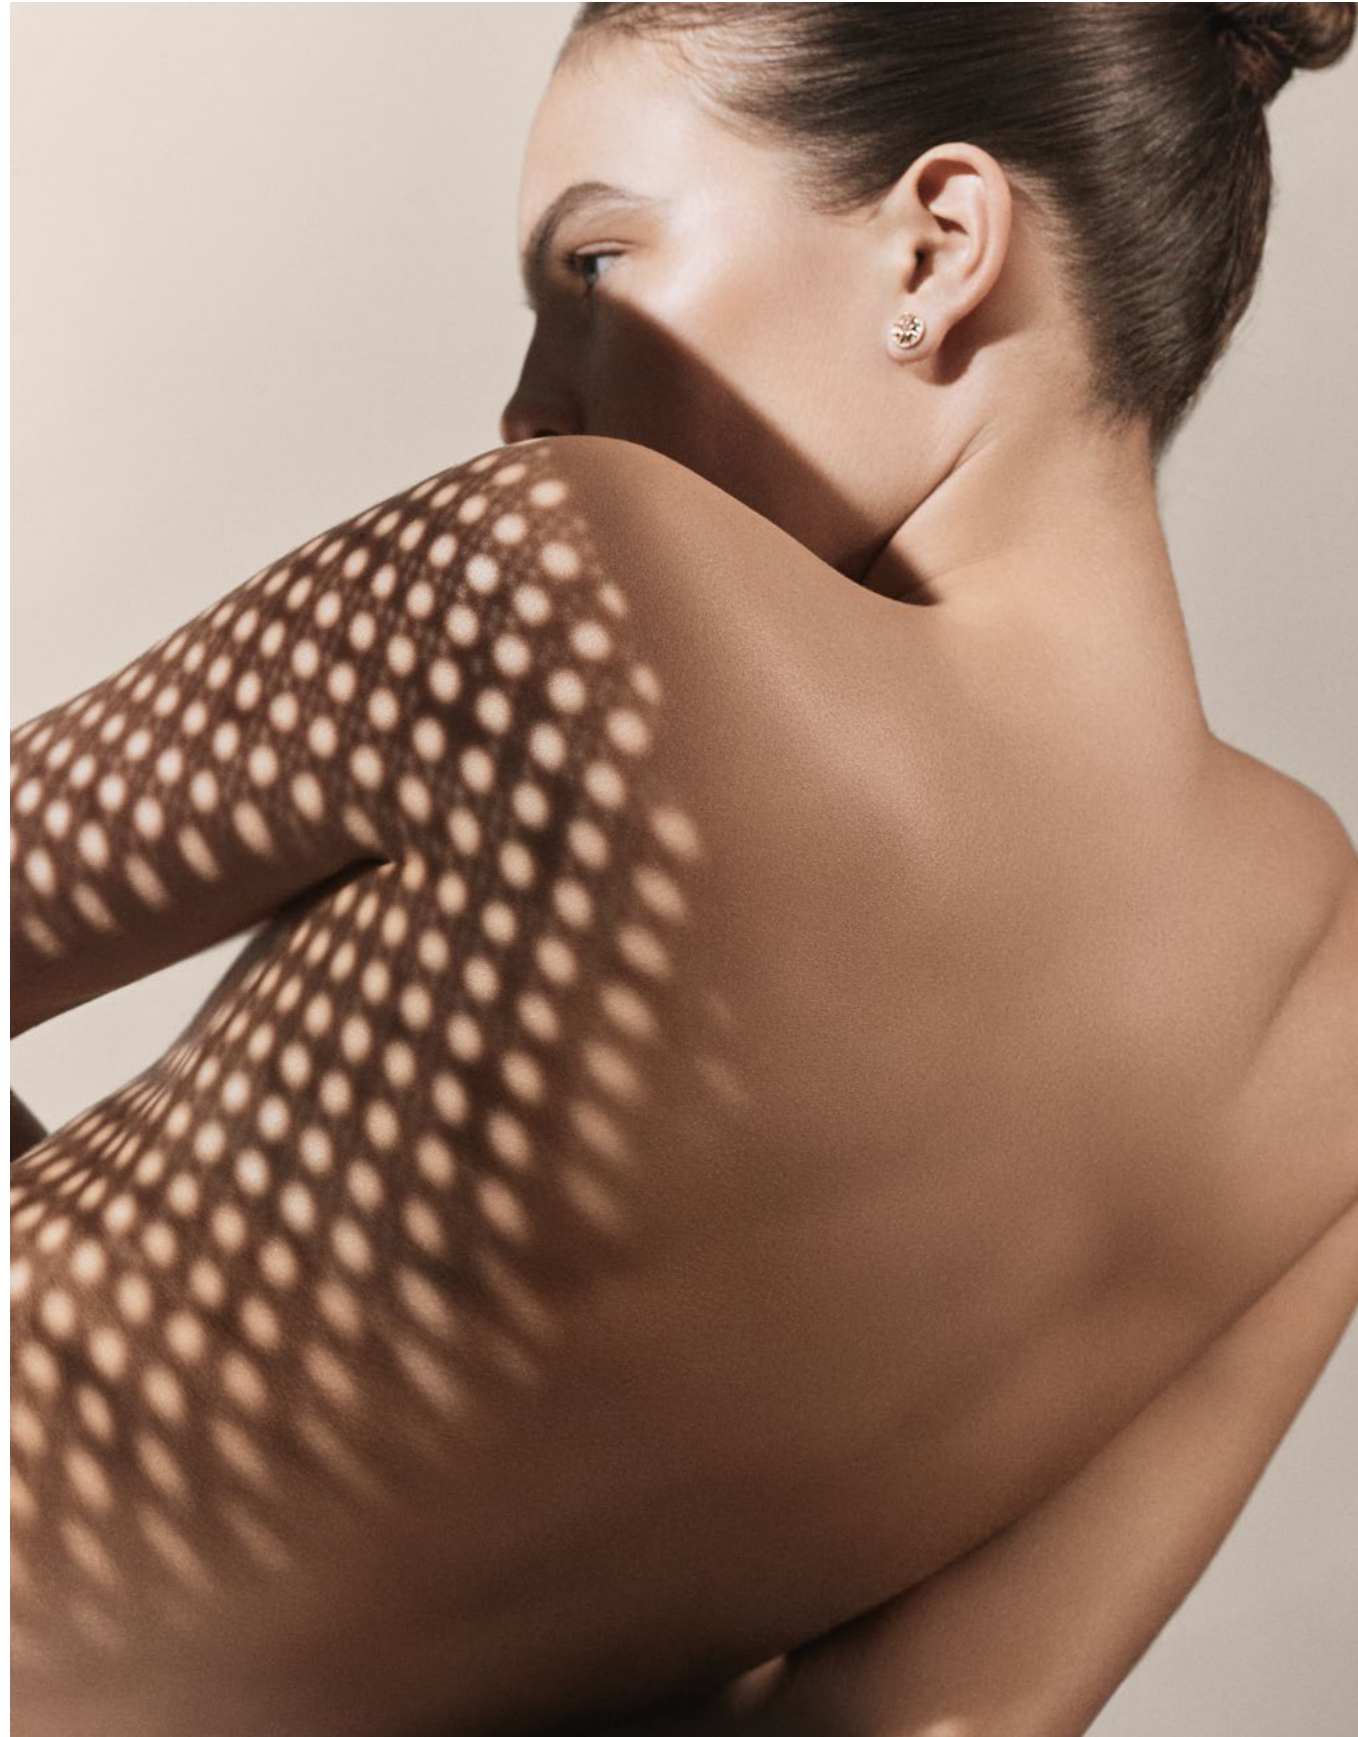

Perched above the shimmering waters, Dior unveils an exceptional double treatment room at Splendido. Bathed in the light of Liguria and offering breathtaking views of the Italian Riviera, surrounded by lush greenery and the scent of exquisite flora, it creates a timeless escape where every treatment becomes an experience of pure serenity.
